

Santex Rimar AG, the Swiss site in Tobel, is active in the development, design and production of high-tech plants. Its business areas include textile finishing, coating and laminating of technical textiles and impregnation of carbon fibres and glass fabrics. The company exports over 95% of its products abroad and employs 65 people.

For the location in Tobel, we are looking for a committed personality to strengthen the National and International Sales of the SANTEX brand and in particular its application technology consulting services as

Textile Technologist, finishing of knitwear 100%

Your responsibility:

- Technological support of the sales department in the acquisition of orders with direct reporting to the overall Sales Manager
- Process engineering commissioning of plants and prototypes
- Advising customers on application technology issues and the design of plant concepts
- Participation in trade fairs
- Monitoring of product developments and analysis of the current market situation

Your profile:

- Education as an Engineer (Textile Chemistry, Process Engineering, Textile Technology) or corresponding professional experience as a practitioner in textile finishing (textile finishing)
- Residence in Switzerland or adjoining EU area
- Entrepreneurial thinking and acting as well as independent and structured working methods
- Experienced handling and diplomatic skills with customers and different cultures
- Excellent written and spoken English language skills (further language skills are an advantage)
- Availability for longer trips abroad and worldwide travelling (approx. 40%)
- Very good knowledge in Word/Excel/Outlook

The possibility to switch to Sales in allocated countries in medium term is not excluded.

We offer you a versatile, responsible and future-oriented position in a dynamic and internationally active company at a high technical level.

Have we caught your interest? Then take your chance!

We look forward to receiving your detailed application (max. 3 PDF files) by e-mail to claudia.trutschel@santexrimar.com.
